Subject Index

Addictions. *See* Substance abuse
Adolescence, substance abuse in, 191
Aerosol therapy
  in cystic fibrosis, 62
  metered-dose inhalers in, 8, 53
Aging
  and asthma management, 27
  and breast cancer, 91
  and substance abuse, 208
AIDS, tuberculosis in, 34
Alcohol abuse, 205. *See also* Substance abuse
Allergies
  asthma in, 27
  rhinitis in, treatment of, 6
Antibiotics in cystic fibrosis, 62
Anticholinergic agents
  in asthma, 25
  in chronic obstructive lung disease, 18
Antihistamines in allergic rhinitis, 6
Anxiolytics, physical and psychological effects of, 203
Asbestosis, 14
Asthma, 23
  diagnosis of, 12, 24
  metered-dose inhalers in, 8, 53
  occupational, 13

Benzodiazepine sedation reversal with flumazenil, 186
Beta-agonists in asthma, 25
Book review, 115
Breast
  benign disease, 96
    and cancer incidence, 91
  cancer
    diagnosis and treatment of, 100
    ductal carcinoma in situ, 98
    lawsuit for malpractice in, 68
    legal liabilities in treatment of, 4
    locular carcinoma in situ, 98
    in males, 67, 94
    metastasis of, 102
    psychosocial impact of, 105
    risk factors in, 91
Breast (*Continued*)
    tamoxifen in, 72, 102, 104
  health in primary care, 74
  self-examination
    teaching of, 76
    techniques in, 85
Breast centers, 110
  coordinator for, 66
Bronchitis, chronic. *See* Lung disease, chronic obstructive
Bronchodilator therapy
  in asthma, 25
  in chronic obstructive lung disease, 18
  in cystic fibrosis, 62

Central nervous system depressants, physical and psychological effects of, 203
Chemotherapy in breast cancer, 102
Chest physiotherapy in cystic fibrosis, 62
Children
  prenatal exposure to substance abuse, 228
    rehabilitative program for, 234
  tuberculosis in, 34
Coal worker's pneumoconiosis, 14
Corticosteroids
  in asthma, 25
  in chronic obstructive lung disease, 18, 43
  intranasal, in allergic rhinitis, 7
Cough in chronic obstructive lung disease, 19
Cromolyn sodium
  in allergic rhinitis, 7
  in asthma, 25
Cystic fibrosis, 58
Cysts of breast, 97

Decongestants in allergic rhinitis, 7
DISC program for women and infants exposed to drugs, 234
Drug abuse. *See* Substance abuse
Dyspnea in chronic obstructive lung disease, 17

Elbright, Linda, as pulmonary researcher, 2
Editorials, 1, 65, 117, 181

Emphysema. *See* Lung disease, chronic obstructive
Estrogen replacement therapy, and breast cancer, 92
Ethambutol in tuberculosis, 34

Familial factors in breast cancer, 93
Fibroadenoma of breast, 97
